## For Patients and Visitors

A professionally trained chaplain is available to:

- give spiritual/emotional support and care to Lakeview Hospital patients, as well as their families and significant others
- provide respectful recognition of all cultural and spiritual beliefs and traditions
- assist in contacting your own spiritual leader or faith community
- offer consultation and support regarding end of life (and other ethical concerns) via the Community Ethics Committee
- provide spiritual and emotional emergency crisis support, 24 hours a day, 7 days a week, 365 days a year.

## For Lakeview Hospital Staff

As an integral member of the patient care team, Chaplaincy:

- participates with clinical staff in interdisciplinary patient care rounds
- offers consultation and support to staff involved in ethical or other difficult decisions
- provides special worship events, such as memorial services, as needed
- facilitates the Critical Incident Stress Management (CISM) protocol during and following a traumatic event
- offers short-term spiritual and emotional care and support to staff.

## For Everyone

Lakeview Hospital's chapel is located on the first floor, next to the outpatient pharmacy.

The chapel is a place of worship, prayer and meditation for people of all spiritual traditions and faith communities. It is available 7 days a week, 24 hours a day.

The chapel may also be used as a place for families to gather for consultation and decision-making.
